

**Bon après-midi chers parents et élèves de l'École Saint-Sacrement,**

Happy New Year and welcome back! As you know, we have spent this week preparing for a safe return to school based on the most recent updates from the provincial government, and are now prepared to continue our learning in 2022.

Please take the time to view the school's updated Communicable Disease Plan, which is attached to this email.

**A few reminders:**

- Continue to conduct the [Health Screening Check daily](#). If your child does not feel well or is presenting with symptoms, please keep them home and send a note via email to let the school know that your child will be staying home.
- If your child and family travelled during the Christmas break, please abide by the Federal Travel Guidelines.
- Same drop off, pick up a door for all grades as prior to Christmas break. Please, parents, make your way home after you have dropped off your children in the morning. At pick up, be conscious of distancing while waiting for fo your child and make your way home as soon as you have picked up your child. The school grounds are utilized by the After School Club (ASC) from 3-5:30 pm. By you picking up your children promptly and making your way home, you are helping us keep our ASC students and staff safe.
- Please label all your child's belongings including their masks. Take time to have a conversation with your child(ren) about keeping their masks on at all times (except while drinking/ eating). Mask lanyards are very helpful, particularly for primary kids.
- Winter uniform is in effect until May 1st. Indoor/ Outdoor shoes are needed every day. Also please label. Pack extra socks due to West Coast Recess.
- Send children with all school supplies which were sent home before Christmas and gym uniform (including gym shoes).
