

Blessed Sacrament Traffic Patrol

Guidelines for Early Morning Drop-Off:

1. Please remember that our school is located in a high traffic area. To avoid congestion, we must enforce a strict “**Drop Off Zone Only**” in front of the school.
2. When approaching the school, **please drive up all the way toward the main entrance.** Patrol attendants will be guiding and enforcing this.
3. Please remain in your car during drop off. An attendant will assist your child if needed.
4. If you need to get out of your car, please drive right, around the corner onto 14th Avenue. Also, there is plenty of 2-hour parking on 15th & 14th Avenue and around the school area, if you need a little extra time with your child.
5. For children in kindergarten, you will be given a “K” sign, to be placed on your dashboard, to indicate that your child needs to be escorted into the school. Our grade 7 students assist our attendants with this task. Again, if you need to assist your child or would prefer to escort your child yourself, please park in a 2-hour parking zone. **DO NOT PARK IN FRONT OF THE SCHOOL.**

Thank you for your assistance in making Early Morning Drop Off as efficient and safe as possible.
