

Dear ESS families,

Information about COVID isolation has been already updated since I sent out the school newsletter on Thursday.

Please refer to the BC CDC website for most up to date information about isolation if student has COVID or is a contact:

<http://www.bccdc.ca/health-info/diseases-conditions/covid-19/if-you-have-covid-19>

For information about masks:

For guidance on the wearing of face-masks/coverings, please refer to “masks” section on the [COVID-19 safe schools provincial website](#).

Please note if you chose to keep your child home out of precaution, student will be marked absent. At this time all our classes are in person session. Teachers are delivering curriculum for in person teaching method. At the moment, classes are not available online. Teachers may communicate learning via an online platform like google classroom, seesaw, or email. If we need to move into functional closure of a class, I will inform you immediately and directly via email and with district approval.

Tuesday January 18th is wear a black shirt day (optional) with uniform or with civvies to recognize Black Excellence Day.

When our students have reached their goal for the PBS Chouettes program in the month of January, they will be rewarded with a jersey day. We will let you know when a day has been set for that reward.

St Valentine is Monday Feb 14th which falls on a school day. Students are invited to wear red, pink, and white. Students will do activities related to the festivities at school but for this year, there will not be any distribution of cards/ gifts/ or treats from home among students.

Thank you for your on-going support, patience, and understanding as we navigate through these unusual times together.

God bless your families,
Mme Mykyte
