

Walk Home Permission

Student Name _____

Grade _____

École St-Sacrement is responsible for the health and safety of students from the time they arrive at school, during school, up until the time they leave school. ESS recognizes that some parents/guardians choose to have their child(ren) walk home from school, and that this is a parental decision to be made based on your assessment of your child's independence and maturity. The purpose of this form is to ensure your child's school has a record of these arrangements.

You should also be aware that there are times where schools may dismiss students early due to both planned and unforeseen circumstances. If you choose to have your child walk home on their own, it is important that you keep informed about these circumstances and ensure that you and your child plan for these situations.

If you plan to have your child(ren) walk home from school, please complete this form giving your child consent to walk home from school unaccompanied.
